

## Black Horse Run Property Owners' Association-Raleigh, Inc.

Our new website for Black Horse Run (BHR), [www.blackhorserun.org](http://www.blackhorserun.org) provides our community with a private, online, Community Directory. The new online directory will give you the opportunity to update and control the information that is displayed. The new online directory will *not* be available to the public, as the site has privacy settings to limit visibility to residents. Once we populate the directory with your information, you may request a password that can be used in conjunction with your "email-1", that will allow you access to the directory and to edit information as you deem necessary. The more accurate we keep the directory information the better BHR will be able to communicate with you on items of community interest. Please provide the information below in hard copy or via email ([bhrpoa@bellsouth.net](mailto:bhrpoa@bellsouth.net)) to Jane Burkey in our Business Office.
